MICRO BREWS

R Stout

This beer pours a deep, dark brown with a light tan head. Aroma is malty, roasty with coffee notes and some very light aroma hop. It has a roasted coffee and chocolate taste with a sweet finish.

R Nut Brown

This Nut Brown is brewed with English Ale yeast. In English tradition, only English Fuggle hops which are low in bitterness and produce a mild floral hop taste. The complexity of this Nut Brown is created mainly by the Chocolate and Dark Chocolate malted barley.

R Amber

Blended eight different types of barley to create this Amber Ale. It appeals to the largest segment of craft beer drinkers who enjoy a smooth, malty ale with no hop bitterness.

R IPA

A complex, layered hop mixture makes this a well rounded IPA with strong grapefruit and pine flavors with a hint of pepper. This beer has a great head retention and strong hop aroma.

R Wheat

This medium bodied, smooth brew is hand crafted with barley, white wheat, red and Czech Noble hops. It is a blend of sweet orange and curacao orange peel and finishes with zesty coriander.
